

Auxey-Duresses **LES CLOSEAUX**

VINEYARD

Grape variety : Pinot Noir.

Surface : A parcel of 0,7268 ha.
Planted between 1962 and 1970.

Soil : Clay.
South-east orientation.

The soils are tilled then grassed over. Minimum treatments. Manual harvest and systematic sorting. Precise choice of harvest date based on maturity checks.

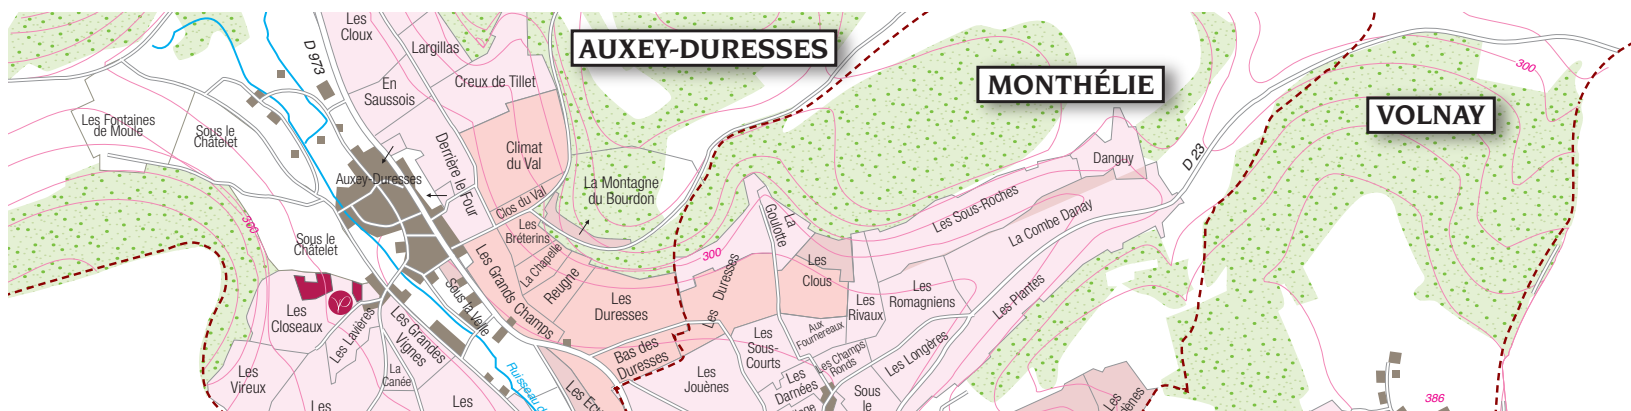

It is the name of a large parcel, above the stream called Les Cloux. And the name is plural. Is that to say that this big parcel is made up of a group of small plots that were previously little gardens or vines enclosed by walls?

VINIFICATION

50% whole bunch vinification.

Cold pre-fermentation maceration followed by 15 days in vat.

Matured in oak barrels (around 20% new) for 18 months before racking into stainless steel vats before bottling.
